Dear PTA Leaders:

The Ninth District PTA is pleased to invite you to our annual Summer Leadership Conference, Saturday, June 2, 2018. This is a premier PTA officer training event and general association meeting that takes place on the University of San Diego campus. Plan to spend a great day with us as we help you and your board prepare for a successful upcoming PTA year. This year we are offering not only the nuts and bolts “how to” officer trainings, but also a number of workshops inspiring advocacy, covering current hot topics and leadership workshops. New this year is an option to have lunch and attend a short workshop during sessions 2 and 3 rather than taking a full 1 ½ hour lunch. Check the registration form closely to see those options.

We will again be hosting an exhibitor expo this year. There will be over 30 booths with great information regarding programs, services and products for your PTA. The Ninth District Store will also be open. There you may purchase membership envelopes, secretary books and other supplies necessary to get you off to a great start in the new PTA year.

Registration, workshops, meals and exhibits will be located at the Joan B. Kroc Institute for Peace and Justice, University of San Diego, 5998 Alcalá Park, San Diego, CA. 92110
