Happy May!!

PTA during May couldn't be busier. PTA officers and volunteers have a lot to do in these last months of the term we sometimes refer to as the 100 days of May!

Elections should have already been held or are happening this month. All PTAs must have a President, Secretary and Treasurer to be in good standing. If we can help with elections, reach out to us.

Close this year with a bang with all of the excitement year-end brings. Share with us, invite us, include us. We're here to help.

We hope to see you at our Summer Leadership Conference on June 6th. Early Bird pricing ends soon, so take advantage of our "Buy 2, Get 1 Free" and register by May 15th.

Treasurers:

The end of the year is just around the corner! For units with a fiscal year-end of June 30th, it is a good time to begin getting your books ready for closing out the 2025-2026 fiscal year. This way, you will be ready to prepare the following year-end reports.

- Year-End Financial Report and upload to myPTez
- [File your 990N](#), 990-EZ, or 990 with the IRS
- [File your 199N](#), or 199, with the California State Franchise Tax Board
- [File your RRF-1](#) with either the CT-TR-1 or 990 form

I bet some of you did not know it is the responsibility of the outgoing treasurer to file these at the end of their term, because many of you filed them at the beginning of your term for the last treasurer. To be honest, there is no reason to wait until November 15th to file your forms. But wait, shouldn't we complete the financial review first? You could.. but if there are findings that impact the financial amounts you submitted, the new treasurer can file an amended return.

So here are some suggestions on how to get ready....

- Are your bank balances reconciled? Do you have outstanding/uncleared checks?
 - If you have outstanding checks, contact the person or vendor and ask them to deposit them. You may need to put a stop payment on a check and reissue it. It is best to clear these up before the end of the fiscal year. I have seen units carry outstanding checks for years, and it just messes up their year-end balances.
- Review your income and expense categories. When filing the CT-TR-1 or 990 forms, the income and expenses are reported by categories. Having them organized ahead of time will help you complete the forms more efficiently.
- If your 3-year average income is greater than \$50,000, we recommend hiring someone to file your IRS 990-EZ or 990 form and the FTB 199. Begin looking for someone so you can turn your records over after the end of the fiscal year.
- If your 3-year average income is less than \$50,000, the 990N, 199N, and RRF-1 with the CT-TR-1 take less than an hour to complete if you have your Year-End Financial Report completed. [Here is a video](#) that will walk you through all the filings.

If getting ready to file and filing forms is stressing you out, come to the Summer Leadership Conference on June 6th. There will be workshops on budgets, tax filings, treasurer tips, and more! If you cannot make the conference, contact your council or me for assistance!

May's Treasurer Huddle

Calling All Treasurers:

We are continuing the Treasure Huddle trainings for all unit and council treasurers. Each meeting will have about 15 minutes for training on a critical component of being a treasurer, 15 minutes for collaboration on a topic, and 15 minutes for Q & A. We are holding the sessions at different times, but the slides and the recordings will be housed on the Ninth District website under the "Running Your PTA" tab, "Treasurer."
